

# UDIA (SA) Building Blocks of Property Development 2009

This comprehensive two-day seminar is a perfect pathway for participants of the one-day Foundations course. It is also ideal as a professional development activity for people working in urban development in its broad sense. All topics, within a case study approach will be presented by an experienced professional in the industry.

Topics include:

- Identifying your property for development
- Economic cycle for property development
- Planning for growth
- Dealing with Councils
- Legal Structures
- Marketing and selling a development

**Members \$875.00, Non Members \$950.00**

This price includes: attendance at the course, all course materials, lunch and refreshments and a networking list.

**Friday 26 & Saturday 27 June, 2009  
9.30-4.15pm
